

2011/2012 Coffee Hour Schedule

Responsibilities:

The listed Ministry Team is responsible for the coordination of the coffee hours for the particular month. In some cases, smaller teams are combined for the month. Feel free to recruit help from outside of your team if necessary, including congregation members who are not on a ministry team.

Teams may also want to consider their Coffee Hour month as a time to: recruit potential team members; recruit help for specific upcoming projects; present program ideas, etc. (as the Finance Team did so well in April 2011).
